U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

37842-1

Date of Issuance:

FEB 24 2010

Terms of Issuance:

Unconditional

Name of Pesticide Product:

UVAS Quality Grape Guard

NOTICE OF PESTICIDE:

Registration
XX Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

IMAL Ltda.
Santiago, Chile

Mailed to US Agent:
David Holzworth/Yasuyo Tadokoro
c/o Adorno & Yoss
1225 19th Street, N.W. Suite 500
Washington, DC 20036-2456

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the inorganic sulfites Reregistration Eligibility Document, EPA has reregistered the product listed above. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product. Before releasing the product for shipment, submit two copies of a final printed label which makes the following changes:

CONTAINER LABEL CHANGES

Page 1 – Add the full company address so that the company can be contacted.

Page 1- Increase the size of the “CAUTION” signal word as per the Label Review Manual.

Page 2 – Change “Caution if inhaled or absorbed...” to “Caution if inhaled, swallowed, or absorbed...”.

Page 2- Change “Cause eye irritation...” to “Causes moderate eye irritation...”.

Page 2 - Change “...after handling. Remove...” to “after handling and before eating, drinking, chewing gum, or using tobacco. Remove...”.

Page 2 – Add the missing “If swallowed” statements.

PAD LABEL

1. After “Do not reuse pad”, add “When using this pad to pack grapes, refer to pad container label for complete directions for use”.

2. The pad label lists the company website. Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). The 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance. As an alternative, you may refer consumers to the company's phone number or e:mail address.

OTHER REQUIREMENTS

Product shipped after 12 months from the date of this Notice or the next printing of the label, whichever occurs first, must bear the new revised label.

Please find a copy of the approved label stamped “Accepted with comments”.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Harmful if inhaled or absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing dust. Wear chemical-resistant gloves made of waterproof material such as polyethylene or polyvinyl chloride. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Prolonged or repeated skin contact may cause allergic reactions in some individuals.

| FIRST AID: | |
|--|---|
| If inhaled: | Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. |
| If in eyes: | Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice. |
| If on skin or clothing: | Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for further treatment advice. |
| Have the product container or label with you when calling a poison control center or doctor, or going for treatment. | |

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To assure freshness by the fungicidal control of botrytis cinerea on table grapes.

1. Pad contents should never come in direct contact with table grapes.
2. Do not use defective pads (e.g. torn pad or broken seal).
3. Use a polyethylene liner in an appropriate shipping container.
4. Cover the bottom of the polyethylene liner with fine wood shavings or other suitable packing material.
5. A sheet of tissue paper may be placed on the packing material and over the sides of the box.
6. Tissue-wrap grape bunches, if desired, and pack in box.
7. If tissue is used, fold it over the top of the grapes.
8. Lay a single pad containing Sodium Metabisulfite over the tissue. Do not place more than 1 pad for each 8.2 kg (18 lbs) of table grapes.
9. Fold the polyethylene liner over the pad. Seal the box.
10. Place the boxes of packed grapes in refrigerated storage at 0-2°C.
11. Remove pad from case before display of grapes for sale or after removal of container from retail store refrigeration facilities.
12. If the pad is torn, remove pad and damaged grapes and hold remainder of contents for 24 hours before displaying.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Keep this product dry in a tightly closed container, when not in use. Store in a cool, dry, well-ventilated area away from heat and flame.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: In case of decomposition, isolate container (if possible) and flood area with large amounts of water to dissolve all material before discarding this container.

No refillable container: Do not reuse or refill this container. Offer for recycling if available or dispose of box (or bag) in a sanitary landfill or by other procedures approved by state and local authorities.

[PAD LABEL]

EPA Reg. N° 37842-1
EPA Est. N° 37842-CH-001

UVAS Quality® Grape Guard

| | |
|--|-------|
| Active Ingredient Sodium Metabisulfite (CAS 7681-57-4) | 98 % |
| Inert Ingredient | 2 % |
| Total | 100 % |

CAUTION: KEEP OUT OF REACH OF CHILDREN.

Agricultural Use: To assure freshness by fungicidal control of *Botrytis cinerea* on table grapes.

Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This pad must be removed and disposed of prior to displaying grapes for sale. Do not allow consumers access to pads. If pad is torn: Carefully dispose of pad, pad contents, and grapes which have contacted pad contents. Do not reuse pad.

Disposal: Place pad in a plastic bag, seal bag and place in an outdoor trash receptacle (dumpster).

Hazards to Humans and Domestic Animals: This pad contains Sodium Metabisulfite which may trigger an asthmatic response in sulfite sensitive individuals.
